

Makes life easy

Inspired by your needs. Crafted for your lifestyle.

Makes life easy

# ABOUT POLAR

The world is moving faster every day, and balancing a busy lifestyle with a peaceful home is more challenging than ever.

Polar understands the need for a dependable helping hand that brings comfort, ease, and efficiency to everyday life. This is what sets us apart and keeps us close to our consumers.

For over five decades, Polar has led the way by never compromising on quality and by continuously investing in research and innovation to keep pace with changing times.

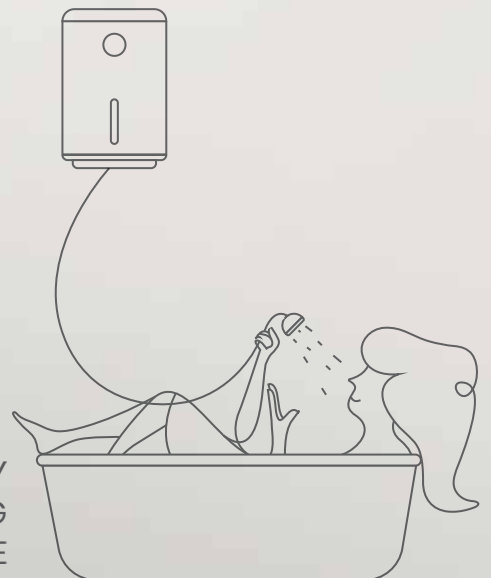

Our wide range of products, including water heaters, room heaters, immersion rods, irons, juicers, mixer grinders, and kitchen appliances, are designed to help you create a home that keeps up with your ambitions.

# GUSH+

**Storage Water Heater**  
(Available in 10, 15 & 25 litres)

- Glass-coated incoloy heating element offers resistance to hardwater & corrosion
- Titanium enamel & blue sapphire coated glass lined tank — ideal for hard water conditions & high-rise buildings
- Suitable for high-rise buildings with 8 bar pressure design
- Magnesium anode rod with O-pro technology extends heating element and tank life
- Anti-corrosive PCM sheet for durable outer body
- High precision capillary thermostat with adjustable temperature control
- High-density PUF insulation
- Whirlflow technology heats water quickly
- Adjustable temperature control
- Superior single-welded line tank
- Pentashield safety (Thermal cut-out/multi-function valve/capillary thermostat/dry heat protection/magnesium anode rod)
- LED power indicator

**7 YEARS\*\*
